Lothian Hall, Crailing

Last year, more people than ever came along to our coffee morning, please help us to make it even better this year.

Your £2 entry will get you a fresh cup of coffee or tea, and a delicious piece of cake, scone or tray-bake.

There will be woodturning demonstrations, and of course, lots of craft items for sale for yourself or for Christmas gifts.

As last year, we will have other crafters and their produce with us, including jewellery, handbags and knitted items - so your choice of Christmas presents to buy will be greater than ever!!

Raffle tickets will be on sale too!
